

How many grey buttons are in the jar?

How to play

Organiser: Come up with the number of grey buttons in the jar, write it down and put it in a secret place. Invite lots of people to guess the number of grey buttons, and make a small donation to take part. Suggested minimum stake is £2 per go.

Players: Write your guess above, when all have been filled, the organiser will reveal the closest, winning guess. The closest guess wins a prize (we suggest a percentage of the donations collected or your company or local shops could donate prizes).

Supporting people with a brain tumour: Send the funds you have raised minus any winnings, to:

- **brainstrust, 4 Yvery Court, Castle Road, Cowes, Isle of Wight, PO31 7QG**
- Donate via Just Giving: [brainstrust.org.uk/weargrey](https://www.justgiving.com/brainstrust/weargrey)

Your donation is vital in helping more of the 60,000 people living with a brain tumour in the UK to be less alone, less afraid and more in control.
