

BIG help from *little brainstrust*: Family-focused workshops this March

Are you looking after a child with a brain tumour? The battle is so much more than the diagnosis. We know. Join us for this event and become stronger, feel more in control and communicate better.

Programme

Central Sheffield, Saturday 14th March, 10.00am – 2.00pm

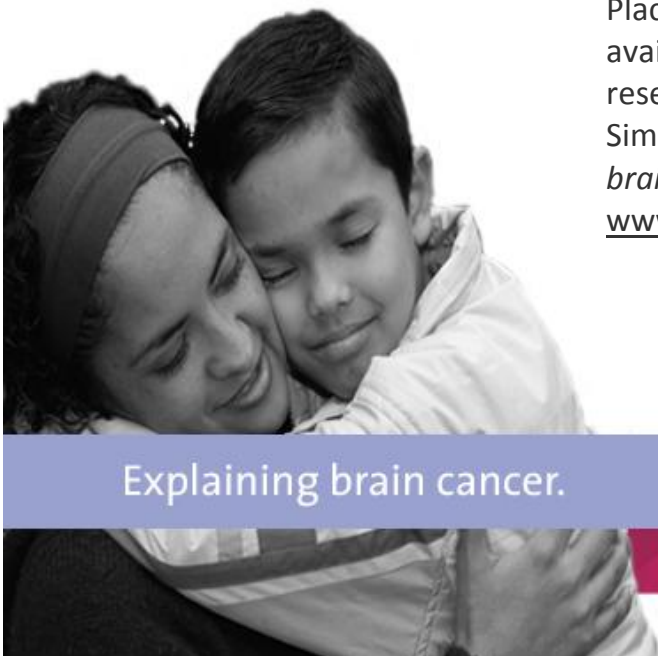

- Expert led workshops are for:
- Children and teenagers with a brain tumour (ages 7-17)
- Their siblings (ages 7-17)
- Parents and carers

Including a chance to make new friends and share experiences over lunch.
