Through Payroll Giving, any donation is tax free. That means when you give we get an extra 25% towards directly supporting people with a brain tumour.

Payroll Giving benefits

Payroll Giving provides us with regular, reliable donations that allow us to plan ahead, budget for the future, and reach more people affected by a brain tumour.

If payroll giving is something you'd be interested, speak to your employer. If it isn't already set up, it's easy for them to do so. Visit the CAF website for more information.
